Capt. Worden Dyer, of Eastern, says he has a good bunch out already, and that his team will be one of the strong-est contenders for the high school championship this season. It will be remembered that Eastern has twice won remembered that Eastern has twice won the baseball title straight running, and while losses of veterans will play an important part in the strength of the team this year. Coach kimbel believes excellent chance to through with what material he has on hand.

This has been a good year for East-orn. In football the team tied for the team was one greatly to be feared and lost its title battles by narrow margins. In baseball for two years the Capitol Hill lads have been supreme. And all this with a small number of candidates for the various teams

#### Tommy Lowe Defeats His Man in Florida Meeting

JACKSONVILLE, Fla., March 12. Tommy Lowe, of Washington, defeated Harry Carter, of New Orleans, here last night in a fifteen-round battle in the best scrap over staged at the Seminole A. C. At times it looked as though Lowe would put his man away, but Carter proved strong enough to go the route.

Lowe had the best of the argument al! the way, and frequently won applaur by his clever work. The Washington boy was faster all the way, and simply lacked the timed punch or Carter have taken the count.

# CHANCE WITH TITLE

Ritchie, and Scrap Is Huge

NEW YORK, March 12.-That Freddy Welsh is still lightweight champion of the world, is due largely to h's ability to hold and to run away. These two things constituted most of h's efforts EACH HAS WON A GAME last night when he met Willie Ritchie Madison Square Garden. Ritch'c whipped the Englishman all the way, whipped him so badly that after the fight even Welsh had nothing to say in defense of his rotten showing.

The Californian didn't knock the titleholder out-which was what he had to do to regain his title-but he did everything else to him that was possible under the circumstances. Ritchie's snakelike left found Welsh's jaw time and again, but the Englishman was usually running away and the power of the blow was lost.

Welsh forgot his boasts that he was C. A. today when Business and Western hook up in the last game of the Interscholastic Basketball League game for the championship.

### Play Golf in South

Army and Navy Prep, and Eastern were beaten by scores of 25 to 12; 45 to 12, and 24 to 21. Business has defeated Eastern by 22 to 16; has galined a decistion over A. N. P. team by 43 to 31, and was defeated by the St. Albans team by a score of 27 to 24.

In the past two weeks Western has suffered a slump due to the fact that two of its players have been out of the game on account of the grip. Despite the handicap the Red and White has won. Fifteen straight games have been annexed by the Western team and the players are primed and ready to defeat Business today, realizing that a win will give them a leg on the Spalding Trophy and first basketball title for the school.

Play Golf in South

BOSTON, Mass., March 12.—Francis Ouimet, the national amateur golf champion, and J. H. Sullivan, jr., leave here next Sunday for Philadelphia, where, on Tuesday they will play over the new Pine Valley course. They will go to Washington from Philadelphia, and from Washington to Pinehurst, where they will arrive on Friday. This will give Ouimet a week to become accustomed to the Pinehurst links in preparation for the tournaments.

Yale Infielder Breaks

#### Yale Infielder Breaks Leg in Practice

NEW HAVEN, Conn., March 12 .-Charlie Eddy, of Bay City, Mich., one of the most promising candidates for the Yale freshmen infield, broke his right leg at the ankle while practicing base sliding in the cage. He was taken to the college infirmary, where the frac-ture was reduced by Dr. Sanford. He will be out of the game this season

Practice Game Notes. The boys are beginning to complain

Allan Clarke hurdled Henry's bat in the morning clash, seized his slow shove and got him at first. It took herve, but the towhead had it.

Herb Thormahlen looked good till he tired. Then he was unmercifully bumped. This youngster looks like a coming wonder on the mound and will probably find a minor league berth.

Ray Morgan had a batfest in the afternoon, getting 1,000 for his three bingles. "Cutie" is fast rounding into shape and easily the best second baseman on the squad. He's not resting a

minute, either. Henry Rondeau, the Minneapolis out-Henry Rondeau, the Minneapolis out-tielder, showed to advantage in the gar-den in the afternoon. His shoestring catch off Ainsmith in the fourth was a beauty. If he begins bitting he should beauty. If he begins he be the ideal outfielder.

Jack Bentlev is a pitcher, but he might easily be made into an outfielder of real class. Jack can hit and he can field, while his speed is better than the The Sandy Spring average pitcher's. youth, looked mighty good yesterday.

Jack Ryan does yeeman duty each and every day. He does most of the receiving in the batting drills and then warms up the twirlers who are to be used in the practice games. Outside of that Jack doesn't do a little thing.

"Cutie" Morgan went to bat six times yesterday and grabbed off five safe-ties, which is good any time anywhere. One of his blows was good for two sacks, and not one was a gift. Morgan is taking an interest in his work and is sure to open the season at second.

Merito Acosta plays a fair kame at third base for the Plebes. His iron wing is the wonder of the camp. The wee Cuban can outthrow almost any other player in the squad and he thinks nothing of letting a runner get a start and then choking him off.

Both John Henry and Eddie Ainsmith are in perfect condition. The way those birds go after the high fouls in the wind would make you fans chortle with glee. Henry played a lot of baseball this last fall and is in prime condition, while Ainsmith is always ready to play

action, Hopper, Gallia, Harper, Bent-ley, Ciarke, Thormahlen, Engel, Ayers, and Shaw. The others may get their turn today of temorrow. With two practice battles daily, Griff needs a lot of pitchers, but he has them down here so he is not worrying a bit. Everybody used thus far has looked pretty good.

EDDIE COLLINS.

Formerly a member of Connie Mack's \$100,000 infield, now with the Chicago White Sox. Out of four times at the bat in practice game with Los ngeles, he gets four hits and two runs.

Bowie is to have a steeplechase course. This announcement was made today by General Manager James F. of stiftness, but the're sticking to their O'Hara. Chick Gandil's punk wing is as punk as ever. "I hit myself in the ear every time I throw the ball," says he, but he keeps right on throwing. Chick's arm always tightens up on him in the spring, not to loosen up until the warm days begin to appear. By the time the season opens Gandil will be all ready to show at his best.
